

Sports Premium Expenditure and Impact: September 2018 to August 2019

<u>Objective</u>	<u>Action and cost</u>	<u>Rationale</u>	<u>Impact</u>
<p>Sports coaches from PAS</p> <ul style="list-style-type: none"> - To embed physical activity into the school day. 	£2,700	<p>Providing enrichment activities through sport to help develop the whole child and encourage them to take responsibility for their health and wellbeing.</p> <p>Children learn cooperation, communication, teamwork and a variety of other skills which will prepare them for life. Research suggest that being physically fit helps them to learn better, and also improves your mental health.</p>	<p>100% attendance at after school sports club sessions by all pupils has been recorded.</p> <p>Lunchtime sessions have become even more productive because of the change in lunch timing.</p> <p>Child conferences show that pupils enjoy the variety</p>
<p>Sports coaches from Tameside Active</p> <ul style="list-style-type: none"> - To provide qualified sports coaches to work with teachers to enhance and extend current sporting opportunities. - To provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively. - To introduce new sports to encourage more pupils to take up sport and physical activities. - Little Bikers providing balance and co-ordination sessions for nursery and reception children 	<p>£18,302</p> <p>£1,050</p>	<p>Providing sporting activities to help develop the whole child and encourage them to take responsibility for their health and wellbeing.</p> <p>Children learn cooperation, communication, teamwork and a variety of other skills which will prepare them for life. Research suggest that being physically fit helps them to learn better, and also improves your mental health.</p> <p>To use the funding to make additional and sustainable improvements to the quality of PE and sport within school.</p> <p>Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.</p>	<p>Feedback from teachers suggests they feel more confident in teaching a wider range of sports and that their subject knowledge has further improved.</p> <p>Feedback from coaches and teachers suggests that the collaborative teaching of sports has improved pupils' fitness and teamwork skills.</p> <p>Pupil participation in competitive sports teams has increased (e.g. netball, crosscountry, cheerleading and football).</p> <p>Reception and KS1 have received blocks of dance lessons from a Tameside Active specialist. Feedback has been extremely positive and parents/pupil comments include enjoying the wide range of dance styles including hip hop and street which have appealed to a wide range of pupils both boys and girls. Pupil confidence has developed through performances (including to parents in assemblies).</p>

			<p>Multi skills questionnaire show that pupils enjoy taking part in a range of activities and that Parents/Carers value the service provided. Participation in the after school Multi Skills Club has widened to include Reception.</p> <p>Teacher Feedback indicates that Little Bikers has provided significant development in gross motor skills, spatial awareness and coordination. Research suggests that this area of brain development occurs as a result of using balance bikes at an early age. All children are timetabled for this in EYFS, in an allocated space, outside the Reception area. Parents/Carers have commented upon the easier progression from balance bikes to peddle bikes. It has impacted upon child confidence and self-esteem.</p>
To provide swimming lessons in the summer term for children in years 6 who have not achieved their 25 meters swimming certificate.	£1,788	Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the National curriculum.	An increased number of children can swim 25 metres on leaving primary school and their confidence levels including water safety have increased. 7 children were offered the extra opportunity and 2 have now achieved 25 meters which indicates that 92% of year 6 pupils have achieved the National Curriculum requirement.

Total received £19,500

Total spent £23,840

Additional £4,340 spend funded through Pupil Premium

The number of pupils within the Year 6 Cohort who meet the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water based situations is = 56/61 (as at July 2019)

Compiled by Governor Working Party July 2019

Next Meeting: Early Autumn Term 2019
to compile SP Strategy for 2019-2020
