

### Sports Premium Expenditure and Impact: September 2019 to August 2020

<u>Objective</u>	<u>Action and cost</u>	<u>Rationale</u>	<u>Intended Impact</u>
<p>Sports coaches from PAS</p> <ul style="list-style-type: none"> <li>- To embed physical activity into the school day.</li> </ul>	£2,795	<p>Providing enrichment activities through sport to help develop the whole child and encourage them to take responsibility for their health and wellbeing.</p> <p>Children learn cooperation, communication, teamwork and a variety of other skills which will prepare them for life. Research suggest that being physically fit helps them to learn better, and also improves your mental health.</p>	<p>100% attendance at sports club sessions by all pupils was recorded prior to lockdown.</p> <p>Child conferences show that pupils understand the importance of keeping active and healthy and that they have enjoyed a range of different sports. This was particularly witnessed during June and July when school partially reopened. The PAS coaches were invaluable in supporting the children’s physical but also mental health and wellbeing after such a difficult time.</p>
<p>Sports coaches from Tameside Active</p> <ul style="list-style-type: none"> <li>- To provide qualified sports coaches to work with teachers to enhance and extend current sporting opportunities.</li> <li>- To provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively.</li> <li>- To introduce new sports to encourage more pupils to take up sport and physical activities.</li> <li>- Little Bikers providing balance and co-ordination sessions for nursery and reception children</li> </ul>	<p>£16,320</p> <p>£1,050</p> <p>£1087</p>	<p>Providing sporting activities to help develop the whole child and encourage them to take responsibility for their health and wellbeing.</p> <p>Children learn cooperation, communication, teamwork and a variety of other skills which will prepare them for life. Research suggest that being physically fit helps them to learn better, and also improves your mental health.</p> <p>To use the funding to make additional and sustainable improvements to the quality of PE and sport within school.</p> <p>Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.</p>	<p>Feedback from coaches and teachers suggests pupils’ fitness and teamwork skills have improved overall. Child conferences show that pupils understand the importance of keeping active and healthy and that they have enjoyed a range of different sports.</p> <p>Prior to lockdown, pupils were taking part in competitive local football matches, cheerleading and netball competitions.</p> <p>The PE subject leader has also worked closely with the sports coaches to ensure that we improve the range of activities on offer and therefore develop teachers’ skills further. More equipment has been ordered to support a wider range of sports/PE skills across year groups.</p> <p>Reception and KS1 have received blocks of dance lessons from a Tameside Active specialist. Feedback has been extremely positive and parents/pupil comments include enjoying the wide range of dance styles including hip hop and street which have appealed to a wide range of pupils both boys and girls. Pupil confidence has developed through performances (including to parents in assemblies).</p>

			Teacher Feedback indicates that Little Bikers has provided significant development in gross motor skills, spatial awareness and coordination. Research suggests that this area of brain development occurs as a result of using balance bikes at an early age. All children are timetabled for this in EYFS, in an allocated space, outside the Reception area. Parents/Carers have commented upon the easier progression from balance bikes to peddle bikes. It has impacted upon child confidence and self-esteem.
To provide swimming lessons in the summer term for children in years 6 who have not achieved their 25 meters swimming certificate.	£1,824	Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the National curriculum.	Unfortunately, this was unable to take place this year due to Covid restrictions.

**Total received £19,570**

**Total spent £24,536**

**Additional £4,966 spend funded through Pupil Premium**

**Compiled Sept 2020**

**Next Meeting: Autumn Term 2020  
to compile SP Strategy for 2020-2021**
