Research suggest that being physically fit helps them to learn better, and also improves your mental health.</p> <p>Providing a wider range of sporting opportunities will enable disadvantaged pupils to access experiences that they wouldn't otherwise have</p> <p>To use the funding to make additional and sustainable improvements to the quality of PE and sport within school. Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.</p>	<p>100% attendance at after school sports club sessions by all pupils.</p> <p>Feedback from coaches and teachers suggests pupils' fitness and teamwork skills have improved overall considering the challenges of lockdowns and isolations.</p> <p>Child conferences show that pupils understand the importance of keeping active and healthy and that they have enjoyed a range of different sports. The Gorse Hall European Football Championships is being much enjoyed and the variety of sporting experiences going into the Gorse Hall Olympics in July 2021 is varied and exciting.</p> <p>Wellbeing surveys suggest sports sessions have had a positive impact on pupil wellbeing.</p>

			<p>Teacher feedback suggests they feel more confident in delivering a wider range of sporting activities (e.g. dance).</p> <p>Dance experiences have been incorporated into EYFS and Year 3 to extend experiences to more pupils.</p>
To provide swimming lessons in the summer term for children in year 6 who have not achieved their 25 meters swimming certificate.	£1,824	Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the National curriculum.	Considering the challenges faced during lockdown and with isolations the progress the children have made with their swimming skills is pleasing. 75% of children can swim 25 metres on leaving primary school and their confidence levels have increased.
