

## Sports Premium Spending Strategy: September 2016 to August 2017

<u>Objective</u>	<u>Action and cost</u>	<u>Rationale</u>	<u>Intended Impact</u>
To provide swimming lessons in the summer term for children in years 3,4,5 who have not achieved their 25 meters swimming certificate.	£1,606	We hope to ensure every child can swim 25 meters on leaving primary school because it is an essential life skill.	Most pupils who engage in additional swimming lessons have achieved the National Curriculum 25m expectation. Pupils' confidence and enthusiasm are generated through the experiences provided.
Sports coaches from PAS to provide curricular PE lessons, and twice a week afterschool clubs	£3458	Providing enrichment activities through sports and cultural activities will help develop the whole child and encourage them to take responsibility for their health and wellbeing.	100% attendance at all after school sports clubs.  Child conferences show that pupils understand the importance of keeping active and healthy and that they have enjoyed a range of different sports.
To provide sports coaches from Tameside Active	£8590	Providing enrichment activities through sports and cultural activities will help develop the whole child and encourage them to take responsibility for their health and wellbeing.	Feedback from coaches suggests pupils' fitness and teamwork skills have improved overall.  Child conferences show that pupils understand the importance of keeping active and healthy and that they have enjoyed a range of different sports.

**Total received £9,750**

**Additional Funding from School Budget £3904**

**Total spent £13,654**
