Sports Premium Spending Strategy: September 2017 to August 2018

Objective	Action and cost	Rationale	Intended Impact
Sports coaches from PAS - To embed physical activity into the school day.	£2,800	Providing enrichment activities through sport to help develop the whole child and encourage them to take responsibility for their health and wellbeing. Children learn cooperation, communication, teamwork and a variety of other skills which will prepare them for life. Research suggest that being physically fit helps them to learn better, and also improves your mental health.	100% attendance at sports club sessions by all pupils. Child conferences show that pupils understand the importance of keeping active and healthy and that they have enjoyed a range of different sports.
Sports coaches from Tameside Active - To provide qualified sports coaches to work with teachers to enhance and extend current sporting opportunities. - To provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively. - To introduce new sports to encourage more pupils to take up sport and physical activities. - Little Bikers providing balance and co-ordination sessions for nursery and reception children	£16,000 £1,050	Providing sporting activities to help develop the whole child and encourage them to take responsibility for their health and wellbeing. Children learn cooperation, communication, teamwork and a variety of other skills which will prepare them for life. Research suggest that being physically fit helps them to learn better, and also improves your mental health. To use the funding to make additional and sustainable improvements to the quality of PE and sport within school. Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.	Feedback from coaches and teachers suggests pupils' fitness and teamwork skills have improved overall. Child conferences show that pupils understand the importance of keeping active and healthy and that they have enjoyed a range of different sports.
To provide swimming lessons in the summer term for children in years 6 who have not achieved their 25 meters swimming certificate.	£1,764	Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the National curriculum.	An increased number of children can swim 25 metres on leaving primary school and their confidence levels have increased.

Total received £15,444 **Total spent £21,614** **Additional £6170 spend funded through Pupil Premium**

The number of pupils within the Year 6 Cohort who meet the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water based situations is = 44/60 (as at March 2018)
