1.Welcome

2.WE Feedback- We Walk for Water – Thursday 26th April

Melissa and Kai and Ella suggested that the Africa Committee marshal this event – T-shirts, banners and sashes to be made. Water bottles to be carried by children and they may wear something blue.

Morwenna is going to visit us on this Thursday too.

Letter to go out to parents.....

WE walk for Water so they don't have to.....

Objective: To raise £15 per class and give one person clean water for life.

On Thursday 26th April

We're the generation that believes that every child deserves clean water. Each class will be walking for the girls who must travel hours each day just to get water

Just bring a small donation eg 50p

An event organised by Gorse Hall School Africa Committee

3. Water Aid Speaker

Mrs Hughes has had a message from Water Aid to say thank you for the fund-raising and will be in touch soon to arrange a date for a water aid talk.

4. Easter Service- Easter Flowers

Our audit by the RSPB suggested that we plant more wild flowers so to highlight the types of flowers associated with spring so our Easter Church theme was "All in an Easter Garden". This told the story of Easter through different types of wild flowers. Buzzing Bees and Easter Chicks were the theme of the day too.

5.Key –Hole Garden Veg Patch Maintenance TASK Day Easter Holidays 11/4/18

Mrs Hughes and Mrs Lacey discussed the possibility of having a “Task Day” in the Easter holidays to tidy up the School grounds. A notice will go up in the staff room.

We had a super response from staff, former pupils and children.

Well done everyone.

Ready for planting now!
