### **Agenda Spring 2019**

#### **Welcome**

#### **Reinstating the Veg Patch and AKHG**

After half term we will start to tidy up and prepare the Veg Patch and Africa Key Hole Garden. Due to unwelcome furry friends last autumn we are going to continue to put food waste in the black – bins provided in the playground. We will however be able to compost “green” vegetation and recycle grey water.

A Gardening Club has been proposed to plant and maintain the gardens.

Lisa Ashton from the Winnie Mobasso Foundation has agreed to “twin” the VP and AKHG with that of Ilumula House.

#### **Fund-raising**

We would like to raise monies for school uniforms again with a “Pyjama Day”. This will take place in September’19.
