4. Visitation- Clean Air Day- Matthew O’Neil TfGM 17/4/18
5. Ian Saxton/ Gary Morgan visit Tameside Council 18/5/18
6. Waste Week- Plastic pollution School Grounds Update
7. Green Flag Assessment Wed 15th June
8. Jonathon Reynolds Visit 22/6/18

2.BEE in the City Competition / Assembly

Mrs Hughes and Mrs Thompstone attended a meeting in Manchester to discuss the “Bee in the City “ project. Our Bee will arrive shortly afterwards and was unveiled at a special assembly. Everyone is really excited about taking part in the completion. The design idea is to reflect the ethos of the school or the history of our local town. All children in the school will take part using the template below. Seven children will be selected to view our Bee at a special opening ceremony on 4th July.

Year 4 children working hard on their designs- Good luck every one!

3.NCAD Competition (Video – Clean Air Day Rap), Promise kites, Asthma Audit)

We have been invited once again to take part in Clean Air Awareness Day 21st June.

Ideas include:

- Video Rap
- Promise kites (one per class)
- Super hero poster Competition
- Asthma Audit –interview
- Lichen Hunt (Controls from last year)
- Idling Engines Posters around school perimeter

Visitation- Clean Air Day- Matthew O’Neil TfGM 17/4/18 - We were delighted to welcome Matthew to our school to discuss air quality and ways in which we can reduce air pollution- Thank you for visiting us.

Ian Saxton/ Gary Morgan visit Tameside Council 18/5/18 Workshop

We are delighted also that Gary will show us how to measure the air quality outside school so that we can monitor the different types of air pollution.

Waste Week- Plastic pollution School Grounds Update

The plastic pollution within the school grounds is improving as children adjust to the new initiative. We see a reduction in litter, sea-gulls and an increase in healthy eating.

The perimeter of the school field still needs attention particularly near the Methodist church where litter has been collected. Mrs H and Mrs L to investigate.

Green Flag Assessment Wed 15th June am

We are looking forward to meeting our assessor.

Children will be given their roles and responsibilities as outlined at the Spring 2 meeting.

Jonathon Reynolds Visit 22/6/18

We are looking forward to welcoming Jonathon to our special celebration assembly on Friday 22nd June

Date of next meeting Summer 2
