### Agenda

#### 1. RSPB Big Schools Bird Count and Awareness Assembly

February -Chn to co-ordinate workshop/activities and bird count. Mrs Hughes and Mrs Lacey to bring in birdseed,fat,cheese and apples. Bird countsheets to be downloaded. Binoculars in the Eco cupboard.

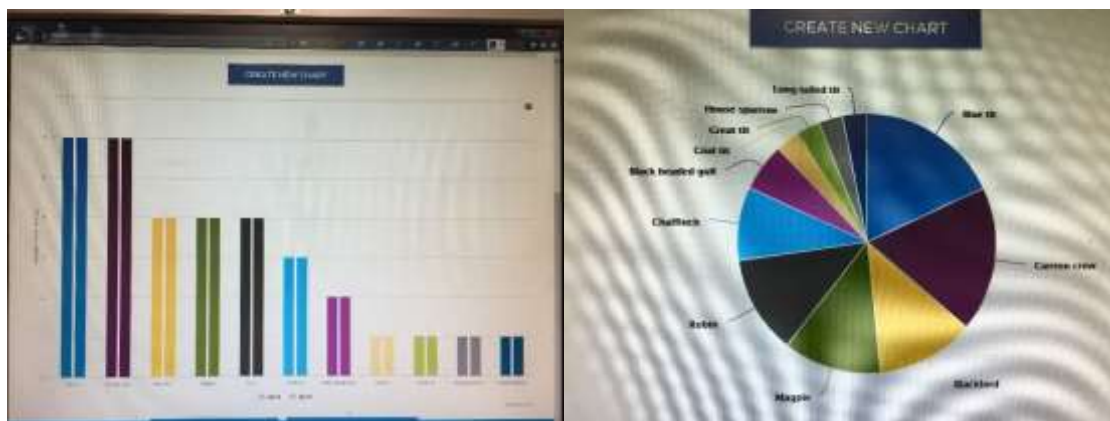

Garden Bird Watch Awareness Assembly to be delivered by Eco Committee on Wednesday 16<sup>th</sup> Jan'18

First thing in the morning would be the best time for the count to take place. James and Faye to carry out the bird count as they are in at 8am.

#### 2. Environmental Science Week Themes/ Invitees

Next year we will be celebrating 21 years of being involved in Environmental issues and making a difference in the local and wider communities. We will celebrate this with a special Environmental Science week 1<sup>st</sup>-5<sup>th</sup> April '19-more to follow

Our data showed an increase in small birds such as Blue tits, chaffinches and even a long tailed tit. We always welcome back the blackbirds but the black headed gulls can sometimes be a nuisance at break/lunchtimes.

Making and decorating our feathered friends.
