

# E-Safety Newsletter Spring 2022

## Welcome!

At Gorse Hall Primary and Nursery school, safeguarding our pupils is top of our priorities. In an ever changing digital world, it is vital (as educators and parents/carers) to keep in line with online innovations, new trends and changes to existing platforms, apps etc. We hope this newsletter, and future E-Safety newsletters, will keep you informed and support you in keeping your child safe online. As this is the first newsletter, it is in paper form. In future it will be in electronic form on the website/MyEd app. Any suggestions on items to include, please feel free to email...

## E-Safety Survey- We need your help!

To help us provide the right support and advice for parents, we ask that you complete the following survey. It will only take a couple of minutes and allows us to work together with you, as parents and carers, in safeguarding pupils off and online.

Use the Q code on your smartphone to complete the survey...

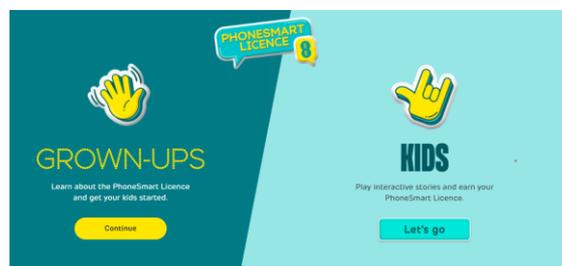

Or click on the link below ...

<https://forms.office.com/r/NdHKRLp4Aq>

## Is your child phone-ready?

EE has a resource where children can complete training to show they are ready to have a phone and use it safely and sensibly. This applies to any phone on any network.

The following information may be of help too.

[Is your Child Ready for a Mobile Phone? - Childcare.co.uk](https://www.childcare.co.uk)

# E-Safety Newsletter Spring 2022

Updated E-Safety section on our school website.

To ensure that resources are more accessible to parents and pupils, there is now an updated E-Safety tab on the website. Just scroll down to the bottom of the home page! The resources will be continually updated ... complete the survey above to ensure we get this right for you.

Internet Safety Day 2022

UK Safer Internet Centre

Internet Safety day is on Tuesday 8<sup>th</sup> February. The theme this year is about ensuring online relationships are healthy and positive. These includes areas such as cyberbullying, keeping themselves safe, knowing who to trust and much more. You will receive a letter explaining more. This will also have links to further resources to support you as parents.

SAFER INTERNET DAY

8th February 2022

**All fun and games? Exploring respect and relationships online**

How to make a report online if you are worried or upset about online content or online behaviour. There is also a link on the E-Safety section of the school website.

<https://www.ceop.police.uk/safety-centre/>

Should I make a report to CEOP? →

If you're worried about online abuse or the way someone has been communicating online, let CEOP know.

What happens when I make a report? →

One of our experienced Child Protection Advisors will be there to make sure you get the help that you need.

How can CEOP help me? →

Online abuse affects many children and young people every day, CEOP has helped thousands of people in need of support.

Worried that you have been affected by online fraud or a cybercrime?
