Dear Parents

It has been brought to our attention that there is a new online horror game which some children are talking about in school. It is called Poppy's Playtime and is based on a toy which chases you around a toy factory. There is not an official rating for the game however it is causing some of our older children to have nightmares. The toy in this game is called Huggy Wuggy and he looks like this:

We have spoken to children across school about this game not being suitable for them to play. Please could we ask you to reiterate these messages at home.
