I can tell you about a local mill and how it is used.

I can describe my town Stalybridge and the types of things in Stalybridge (shops, canal, post office, school, train station etc.).

I know Stalybridge has a mixture of modern and old houses.

I know and can recall facts about the local artist L.S Lowry and the time in which he lived.

I know terraced houses were painted in L.S Lowry's art work and can talk about how he liked to draw and paint.
