- Well-being

Activities Whole School/Committee

Global Action Plan Earth Day Video

GAP would like us to make a 3min Video about our fabulous **Clean Air** work we have done over the past few years and showcase this on Earth Day. Eco and Mrs Hughes to write/film/publish by 4th March

Gorse Hall Primary School Stalybridge

Val WI Visit 7th March

It was lovely to welcome Val into school from Stalybridge WI who came into school to view our latest activities and achievements.

We were grateful for her plant donation of rosemarie for friendship and remembrance.

Thank you for visiting!

Stitch In Time Workshop: Evening Wear Creations

Stitch Club would like to Showcase their work and highlight the dangers of Fast-Fashion on the Environment. The Designers continue to create fabulous designs from upcycled & reclaimed textiles. Thank you to MarieAnne for her continued support.

Creative Composting Club

Thank you to the team who taught the children the benefits of composting our green food waste,leaves and grass along side brown waste such as cardboard,twigs and newspaper. We will share our learning on “Earth Day” in April. Two composting bins have been placed in the sensory garden and butterfly tunnel. Food waste bins are now in the staff room too.

Earth Day ideas 22nd April
