This will be your new teacher:

Miss Hyland

Your class teacher

Hi all...

I'm really looking forward to working with you all again in September and being your Year 5 teacher! Year 5 is a great year of new learning and also an important year too (progressing to Year 6).

The topics in Year 5 are really interesting and exciting and I'm sure you will really enjoy exploring them. We learn all about Space, Brazil, we engage with lots of science and a favourite feature of Year 5 is hatching our very own chicks in the Summer, which is very exciting too!

Your teaching assistant: Mrs Bowers

Hello everyone, I am really excited to welcome you all to year 5. I will be your new year 5 Teaching Assistant for both year 5 classes and I will be here to support and help you throughout the year.

I can't wait to share the 'life cycle' topic with you during our science learning. This is a wonderful science topic and one of my favourites. I love nature, animals and the outdoors; at home I have two grown-up boys (Harrison and Joel), a hamster called Mole and 6 pet chicks named after Star Wars characters! 😊 I can't wait to hear all about you and your interests. See you all very soon!

This is where
you will line up.

In the morning, you will
enter from the year
5 doors (5KS) and will
go home the same way.
