

My Transition Booklet

6JC

These will be your new teachers:

Mr Chambers

Hi children,

Welcome to 6JC! I'm really looking forward to teaching you all in September. Year 6 is going to be an exciting year with lots of interesting geography, history and science topics such as 'What made Manchester great?', evolution and the heart & circulatory system. We also of course have a few 'extras' to look forward to in Year 6, like the trip to Robinwood. My hobbies include music (I'm into all sorts of genres and play a few instruments); sport - I'm a big football fan in particular (I still like to play **very** occasionally, although at a bit of a slower pace these days!); and travel. School subject-wise, I'm particularly interested creative writing - we will be doing lots of this!

This will be your teaching assistant:

Mrs Fish

Hi children,

Year 6 is going to be a great year and I'm really looking forward to spending it with you again! I have been a teaching assistant in year 6 for many years prior to this last year and I know you will enjoy it as much as I have. Also, I have 3 children who have all been a year 6 pupil at some point so I understand the challenges Year 6 sometimes brings - I'm here to help you! We cover lots of exciting topics, one of my favourites being making fairground rides and making them work using our electricity skills. We will make lots of fantastic memories at Robinwood and try new experiences which I will most definitely join in with you. Just try and stop me!

You will use the same KS2 toilets as last year.

What will be expected of you in Year 6?

- You will be responsible for your water bottle, lunch, PE kit and most importantly your homework (NOT your grown ups!)
- You must follow the BEE rules (Be safe, Be kind, Be respectful, Be proud) at all times
- You may be with a different teacher, in a different room, for Maths or SPAG. We expect you to move quietly, quickly and sensibly between these sessions.
- We expect you to show the same level of respect to all adults at all times (your teachers, teaching assistants and middays)
- You may be given a Year 6 monitor role, which will mean you are responsible for something such as: Playleading, Blue Bins, Assembly Chairs, Blogs, Registers etc.
- English and Maths homework is given out on Wednesday, to be handed in by Monday.
- Spellings are given out on Friday and tested the following Friday.
- You should come into school in your PE kit on your allocated day. Your PE kit MUST be black bottoms (jogging bottoms/leggings/shorts) and a plain white T Shirt.
