Policy and other documents relating to Young Carers:

Policies	Date in place	Next review date
Policy on Young carers	July 2018 Reviewed annually	July 2027

Young carers Information:

How many pupils currently on roll are defined as Young Carers?	2
How have the Young Carers been supported in school?	Young Carers are offered free places on any extra-curricular after school clubs. Parents are signposted to support groups. Nurture group and intervention focus groups. High school transition organised and supported and other transitions in school supported.
Describe how Young Carers are making progress in relation to other vulnerable groups and all children in the school. (i.e. educational, social and emotional progress)	Progress is good in relation to other pupils and other vulnerable groups
What is the pattern of attendance and exclusions?	Good attendance maintained

How many of the Young Carer pupils are registered on the SEN register and at what stage?	None
What interventions are being used to support the educational attainment and achievement of Young Carers?	Nurture and wellbeing sessions accessed. Academic support provided through group interventions.
Where appropriate, has there been partnership working with others beyond the school. E.g., social worker, educational psychologist, Young Carers group? What has been the impact or outcomes of this?	Partnership work with others beyond the school through family support and social care. This has impact positively on holistic outcomes and is integral to safety and happiness of the pupils.
Have any Young Carers been transferred to or from school this academic year. For Year 6 pupils indicate the pupil destinations post primary school	One pupil to transfer to another primary school in Sept 2026. This transition is being well supported.

Any other comments on Young Carers and actions to be taken:

Review the needs of our school families in order to best inform identification and support.

Signed
