We are proud to be part of **Ambition Community Trust (ACT)**, a family of schools working together across Tameside and Manchester.

At the heart of Ambition Community Trust is a shared commitment to **Relational Inclusion** – the belief that every child belongs, every story matters, and every adult has a part to play in creating safe, trusting and nurturing school communities.

Schools within ACT retain their individual identity and character while benefiting from being part of a collaborative Trust family. We work together to improve outcomes and opportunities for all children and young people, sharing expertise, developing our staff and supporting one another to provide the highest quality education and care.

Our Trust currently includes mainstream primary, specialist SEMH and alternative provision schools. This breadth of experience strengthens our collective understanding of children and young people and supports our commitment to ensuring that every child is known, understood, included and able to thrive.
